Section 2: State-Designated ETC Reporting

In its *Clarification Order*, the FCC required state-designated ETCs that are subject to a state requirement to report to the state some or all of certain information annually, to file a copy of any relevant information with the FCC in 2012.² Specifically, state-designated ETCs must file information concerning outages, unfulfilled requests, and complaints as required in Section 54.313(a)(2)-(4) of the FCC's rules if the state requires ETCs to report some or all of this data.

This state commission's rules **do not require** state-designated ETCs to file an annual report containing some or all of the following information: information concerning outages, unfulfilled requests and/or complaints.
